

REMOTE STAFF

Flexible. Seamless. Stress-free.

Hire Smarter

More employers are looking to efficiently hire and onboard remote staff. In fact, companies allowing remote work have 25% lower employee turnover.*

You shouldn't have to choose between **quality** and **cost**. Excel Partner's business is creating resources and solutions that hold their value.

By 2028, 73% of all departments will have remote workers.*

Recruiting

With a dedicated team focused on staffing for more than 25 years, we leverage our industry experience to deliver talent with a nearly 100% retention rate. Using direct recruiting and tapping into our own proprietary network, we can source the best candidates a lot faster.

Interviewing

Excel Partners goes beyond the traditional interview process and utilizes both one-way and two-way video platforms to evaluate job seekers and skill sets. Over the past few years we have honed our virtual recruitment process so candidates are capable of working remotely from almost anywhere.

Onboarding

The clock is ticking. Excel Partner's team is hands-on from day one to ensure there are less interruptions and a flexible process. We know your team needs a higher level of support beyond just administrative. Our expert staff helps safeguard businesses from costly HR liabilities, minimize damages from existing issues, and provide critical training and ongoing development for new hires.
